Christmas in The Hills

2 or 3 night stay

Christmas at The Cottage in the Wood is a chance to step away from the usual rush and let the season arrive quietly. Perched in the Malvern Hills, this two- or three-night festive stay is designed around calm, considered pleasures and time that feels unclaimed. On arrival, settle into your gorgeous room, thoughtfully prepared with a seasonal hamper to enjoy at your leisure, before heading to the bar for a festive cocktail to toast the start of your Christmas celebration with carols. Each morning begins with a leisurely breakfast, giving you space to wake gently and savour the day ahead.

Let us do the work for you: from a special Christmas Eve dinner to a sumptuous five-course lunch on Christmas Day, followed by a relaxed evening meal on Boxing Day, every detail is thoughtfully arranged so you can simply be present.

Take in the sweeping views of the Malvern Hills, breathe the crisp winter air, and wander at your own pace. Return to toast the season with mulled wine, enjoy mince pies, and settle in for board games, a perfectly gentle end to the festive celebrations.

Guest Reviews

“Good morning, once again we were delighted with your hospitality. The staff and the food drive us to return again. This was our second Christmas stay and I must say your staff are a credit to your business. Obviously well trained and behave in a friendly but professional manner which we found endearing.

The food as always was superb.

The entertainment on Boxing Day was brilliant and we thoroughly enjoyed the afternoon. We stayed in room two which was large well decorated and very comfortable. The hamper and other room features made for a very pleasant environment with views.

Thank you all for a superb Christmas experience”
